Narrow Escape from Defeat Due to Over-Indulgence.

Mike Bergen Rode a Clever Race on the Winner, Fitzsimmons.

Morello had the hardest race of his life yesterday to win the second division of the sea and Sound Stakes. The colt had to carr, 130 pounds, and he was at a decided disad vantage in that he had had no races to keep him at concert pitch. Moreover, he has been led since his last race. Pitzpatrick rode JAPANESE CARPETS. him, and he made the running for half a mile under a pull. Then the weight began to tell and Morello faltered for an instant. Fitz quickly gathered him together, and waiting to the last moment landed him a winner by a head from the 100 to 1 chance Rainbow. The winner was all out, and Fitz looked as though he and not Morello had been running three-quarters of a mile. Rainbow was a great surprise. The midget Pann rode him. This little chunk of darkness seems to have a knack of getting more out of a horse than any one cise. Any one who declared before the race that Rainbow would run Morello to a bead would have been cast into an insane asylum. Gov. Foruker ran true and game, and was a close third. Ragie Bird ran well also. Ajax, with the mighty Snapper up, was a poor fifth, and Marty Bergen must have chuckled audibly when he saw Garrison's disgusted look. Certain it is that Bergen can ride Ajax better then any one else.

M. F. Dwyer had a swell bet down on Nod and when he saw the beautiful pocket that Doggett was in a furlong from home his thoughts were not of a pleasant nature. Doggett yelled to Johnny Lambley to let him through, and Lambley, seeing that it was Mike's horse, kindly did so. Nomad came through and won driven out by half a length from Silver Fox, who should have wen. Young Covington lottered too long. Silver Fox was heavily backed all over the sountry yesterday morning. All the poolrooms received heavy commissions. Matt Byrnes and his triends got as high as 30 to 1 and atood to win several barrels. When libiler was scratched and all bets declared off their feelings can be imagined. They had bet on the colt at the track, pounding the price from 15 to 1 to 6 to 1. In the new betting d to 1 was the best they could get. Their remarks regarding the scratching of Roller were the governe of mild.

Mike Bergen rode a very clever race on thoughts were not of a pleasant nature.

Mike Bergen rode a very clever race on Fitzsimmons. Those who saw his desperate finish did not know that a ticket calling for \$800 snugly reposed in Mike's inside pocket. Mike can ride better than haif the so-called jockeys, and there is no more agreeable young rider than he on the race track. His friends wish him luck.

Mr. Sass was not paraded before the grand stand, and Doc Street, his owner, was fined \$250. He was warned, also, that a like offence would result in the revecation of his license. Perhaps Doc had good reasons for not parading Mr. Sass. The race the horse ran was an extremely peculiar one and hot up to the form he displayed a few days previous. When there is from 5 to 1 to 10 to 1 against Mr. Sass 1-2-3 then he is worth a wager.

in Cincinnati yesterday the police raided the pool-rooms. They arrested betters and all persons found in the places.
